Roof Windows

VELUX Roof Windows

Transforming Spaces into Favorite Places

Why VELUX

For more than 80 years, VELUX has pioneered the roof window market. Our focus has always been on creating the highest quality, most reliable daylighting products available. Take advantage of our experience and reimagine your home in daylight with VELUX roof windows.

Why Roof Windows

Daylight is powerful. It helps create a warm, inviting space while improving our overall well-being and decreasing our dependence on electricity. Roof windows provide abundant daylight and open to provide fresh air too, completely transforming the look and feel of any space. We're often asked, "Why roof windows?" But with endless benefits to installing more natural light, the question should really be, "Why not roof windows?"

Top-Hinged Roof Window GPU Model

Top-Hinged Roof Window

GPU Model

Roof Windows

Natural light and fresh air are at your fingertips with the classic top-hinged roof window.

- Innovative top control bar allows for lower installation, providing excellent views while standing or seated
- Convenient bottom handle for simple operation within reach
- Unique ventilation flap allows fresh, filtered air through with the window closed
- Built-in, reusable air filter improves indoor air quality by preventing dust and insects from entering
- Compatible with VELUX roof window shades for ultimate light control

GPU Top-hinged Roof Window

Opens to a maximum of 45° to satisfy egress requirements for emergency escape.

(Only for MK06, MK08, PK10, SK06, UK08. Sizes for CK04, CK06, MK04 do not meet egress requirements.)

Stocked and special order shade options available.
